Pikachu starts weekend meet-and-greets at Changi Airport Terminal 3 on Saturday 14 November, a week before the year-end school holidays begin on 21 November. Snow is already falling every evening at the T3 PokÃ©Xciting! Stage, and Jewelâ??s own snowfall in Forest Valley started on 13 November.

All of it is free. None of it needs a boarding pass, apart from the transit parades and meet-and-greets for passengers flying out over the holidays.

Pikachu meet-and-greet dates and partners

Pikachu is joined by a different PokÃ©mon on most dates. Sessions run at 2pm and 3pm at the PokÃ©Xciting! Stage and at 6.30pm at ST3PS, both in the Terminal 3 public area, so there are three chances to meet them on each date.

- 14 and 15 November: Pikachu and Eevee
- 21 and 22 November: Pikachu and Snorlax
- 5 and 6 December: Pikachu and Piplup
- 12 December: Pikachu and Gengar
- 13 December: Pikachu and Mimikyu
- 19 December: Pikachu and Snorlax
- 20 December: Pikachu and Gengar

Entry is first come, first served. A Meet and Greet Pass is handed out when the queue opens 30 minutes before each session, and once the passes for a session run out, no more are issued. There is

no minimum spend. Changi does not provide event photos, so bring a phone or camera.

The T3 Light and Snow Show

The stage is on Level 2 of the Terminal 3 public area and is open 24 hours. The Light and Snow Show runs from 9 November to 3 January 2027.

- Weekdays: 7.30pm and 8.30pm
- Weekends: 7.30pm, 8.30pm and 9.30pm

No ticket, purchase or registration is needed to watch.

Let It Snow in Jewelâ??s Forest Valley

Jewelâ??s snowfall runs from 13 November to 3 January 2027 beside UNIQLOâ??s 16m Christmas tree, which has a brownstone house at its centre. The published show times are for Forest Valley, which is free to enter.

- Monday to Thursday: 8.05pm and 9.05pm
- Friday to Sunday, public holidays and their eves: 8.05pm, 9.05pm and 10.05pm

Jewelâ??s first fall of the night comes after the 7.30pm T3 show, so an evening at the airport can take in both. Upstairs, Canopy Park on Level 5 becomes a Starry Christmas with light displays and gingerbread characters, and that part needs a Canopy Park ticket.

If you are flying out in the holidays

Changi has also put PokÃ©mon in the transit areas, which are open only to departing passengers who have cleared immigration. Snorlax, Piplup, Pikachu and Eevee parade through the transit (departure) areas of Terminals 1 to 4 on 21 and 22 November, 5 and 6 December, and 19 and 20 December, with morning and night sessions.

Four transit meet-and-greets are also set for December, again only for travellers in the transit area.

- Terminal 1 transit, 12 December, 12pm: Pikachu and Eevee
- Terminal 3 transit, 13 December, 8pm: Pikachu and Eevee
- Terminal 4 transit, 19 December, 9am: Pikachu and Eevee
- Terminal 2 transit, 20 December, 9pm: Pikachu and Piplup

The full meet-and-greet schedule sits with Changi Festive Village, which runs across all four terminals to 3 January 2027. Jewelâ??s Christmas displays stay up to 3 January, and its PokÃ©mon activities continue to 31 January.
