The Charles & Keith Singles Day sale runs from 6 to 12 November 2026, with up to 50% off selected bags and shoes online and at selected Singapore stores. Several bags are now half price, including the Aubrielle Belted Tote at S$49.90 and the Sammie Knotted-Handle Boxy Bag at S$39.90. It ends at 11.59pm on 12 November, so you have four days left.

Charles & Keith Singles Day sale: dates and where it applies

Charles & Keithâ??s promotion terms set the Singlesâ?? Day period as 6 November 2026, 12am, to 12 November 2026, 11.59pm (Singapore time). The discount covers selected items only, and it applies online and at selected retail stores, so call ahead if you are heading to a specific outlet.

Unlike some 11.11 sales, there is no promo code to remember. The sale prices are already shown on the product pages.

Can you stack it with other discounts?

Mostly no. The Singlesâ?? Day promotion cannot be combined with other existing promotions, except ongoing gift-with-purchase offers. That means your student 10% or new-account S$5 code will not work on top of a sale price.

Payment-provider offers are listed separately on Charles & Keithâ??s promotions page, so check them at checkout:

- Atome, 1 to 30 November 2026: new users get 10% off a minimum spend of S$40, capped at S$12, with code ATOMECK10, while all users get 5% off a minimum spend of S$60, capped at S$4
- PayLater by Grab, until 31 December 2026: selected new PayLater users get 10% off a minimum spend of S$100, capped at S$10, with code PAYLATER10, when paying in 4, 8 or 12 instalments

Both have limited redemptions. They are run as separate payment promotions, so whether they apply to a sale cart is decided at checkout.

Delivery, returns and the fine print

Online orders of S$70 or more get free standard delivery, with shipping charges not counted towards the S$70. That threshold is easy to hit, since two pairs of sale sandals already get you close.

- Orders cannot be cancelled or changed once placed
- No price adjustments for anything you bought before the sale
- Returns within 30 days of receiving an order are free when done in store, but not at the Changi Airport Terminal 1 to 4 stores
- Returns through POPStation carry a fee

How to shop it without regrets

Since orders cannot be changed once placed, it pays to be a bit careful. A few habits that help:

- Check the size guide on each shoe, because heel styles and flats from the same brand can fit differently
- Compare the colour you want against the listed sale price, since some shades are discounted less
- Use Same-Day Click and Collect, which Charles & Keith says is available at six stores, if you want the item today
- Try shoes on in a store before buying online, then order the size you know fits

If you are a GOLD member, remember that your usual 10% off all year round is a separate perk. Under the sale terms, it is not something to count on stacking with Singlesâ?? Day prices, so plan your budget around the sale price alone.

Our take

At S$39.90, the Sammie boxy bag is the easy pick, since it rarely sits this low. If you want something for year-end parties, the sequinned Briella pumps at S$52.70 are only 20% off, so the bags and sandals are where the shiok discounts are. Do not wait for 11 November itself to shop, because popular sizes in a sale that started on 6 November will not hang around.
