

Chimichanga DBS Deal: 15% Off Food Items Till 31 May

Description

default watermark

The Chimichanga DBS deal is a straightforward dining discount: DBS lists 15% off food items for dine-in at all Chimichanga outlets, valid from now till 31 May 2026.

The clean headline is useful, but the terms decide whether it works for your table. The promotion excludes beverages, blackout dates and combinations with other discounts, and payment must be made with a valid DBS/POSB credit or debit card.

Key Details

The offer applies to food items only, so drinks will not be part of the 15% discount. DBS lists the promotion as valid at all Chimichanga outlets until 31 May 2026.

Because the deal is food-only, it is most relevant for groups ordering proper mains and sharing plates rather than a drinks-led night. The final saving depends on how much of the bill is food.

Main Terms

default watermark

A square DBS promotion visual for Chimichanga.

DBS says the offer is not valid with other discounts, promotions, privileges or offers. It is also not valid for beverages.

Blackout dates include private events, eve of public holidays, public holidays, public holidays in-lieu and special occasions such as Valentineâ??s Day, Easter Sunday and Motherâ??s Day.

How To Claim

DBSâ??s alternate Chimichanga campaign image.

Check the outletâ??s availability before going, then pay with a valid DBS/POSB credit or debit card. It is sensible to mention the DBS dining privilege before ordering so the staff can confirm whether the date and bill qualify.

If your table is visiting around Motherâ??s Day weekend, pay close attention to the blackout-date wording because special occasions are specifically excluded on the DBS page.

Deal Verdict

This deal is easy to understand and best for a food-heavy Chimichanga meal before 31 May 2026. It is less useful if your bill is mostly drinks.

The important checks are outlet participation, blackout dates and whether any other promotion is already being applied to the bill.
