

Christmas 2026 turkey takeaways open early at three hotels, with up to 30 per cent off

Description

Three hotels have opened Christmas 2026 takeaway orders with early-bird cuts of 20 to 30 per cent. A whole roast turkey is listed at S\$188 at Crowne Plaza Changi Airport, S\$178 at Holiday Inn Singapore Atrium and S\$188 before GST at [Grand Copthorne Waterfront](#). Holiday Inn's discount runs longest, to 9 December, while Grand Copthorne's ends on 30 November.

The rule for this list is simple: a hotel takeaway menu that is open for orders now, with a whole-turkey price and an early-bird discount on the hotel's own pages. The Capitol Kempinski opens on Monday and has no prices out yet, so it sits at the end.
