How to bid once the window opens

Individuals bid through DBS or POSB ATMs. Corporate accounts bid through DBS, UOB or Maybank internet banking. The bid deposit is \$10,000 for Categories A, B, C and E, and \$1,500 for Category D under the current motorcycle rules. Banks charge their own administration fee on each submission or revision.

During the exercise, bidders can check or raise a reserve price through OneMotoring's Enquire/Revise COE Bid service with Singpass, or through the bank channels. The system steps bids up by \$1 until the reserve price. Successful bidders in a category pay the same quota premium.

LTA's 2026 schedule also lists the second September exercise as opening at 12 noon on 21 September and closing at 4pm on 23 September. Live current COE prices appear on OneMotoring once bidding is open; final premiums post after 4pm on 9 September.
