Who the premiums hit

From the May 2022 first exercise onwards, Category A covers non-fully electric cars up to 1,600cc and 97kW (130bhp), and fully electric cars up to 110kW. Cars above those limits take Category B. Category C covers goods vehicles and buses. Category D covers motorcycles. Category E is open for all except motorcycles and usually ends up on larger cars.

New registrations pay the quota premium from the exercise that produced the Temporary COE. Renewals pay the prevailing quota premium (PQP). OneMotoring lists PQP at S\$128,715 in Category A and S\$131,616 in Category B on this board.

Versus the last exercise

Category A fell S\$1,119, or 0.84 per cent, from the record S\$133,009 printed on 9 September. Category B fell 1.48 per cent, Category C 1.03 per cent, Category D 2.83 per cent and Category E 0.65 per cent.

The August to October 2026 quota remains 19,085, 0.2 per cent above the previous quarter. This second September round sat on the standing mid-month window after the 9 September close.
