Description

Cold Storageâ??s Top Selections 2026 board runs until **23 September 2026**, with branded pantry, frozen and snack cuts listed on the supermarketâ??s Top Selections category and weekly-ads pages. Offers exclude Alocassia Apartments, Greenwood and Sentosa Cove.

These are ticket prices from Cold Storageâ??s own product cards, not a warehouse walkthrough. Availability varies by store, while stocks last.

Stronger tickets on the board

Farmpride Texas Chicken Wings 350g is **$5**, down from $7.25 (31 per cent off). That is a real discount if wings were already on the list.

Barilla pasta 500g (spaghetti, penne, fusilli and other shapes on the same promo) is any 2 for **$5.30** against a $4.10 single, so the pair beats buying two at full price by $2.90.

Arnottâ??s Tim Tam Deluxe 175g assorted flavours is **$6.10**, down from $6.80 (10 per cent). Thin on its own; useful only if that biscuit was already going into the trolley.

Lipton milk tea 12 Ã? 21g (Classic, Matcha, Teh Halia, Teh Tarik) is **$5.95**, down from $7.15. **Naturel Extra Light Olive Oil 2L** is **$30.90**, down from $36.90.

Best price we have seen on this pass is the Farmpride wings cut if you cook from frozen this fortnight. Barilla any-2 is a real discount for a pasta household. Tim Tam is thin. Skip the oil if you already hold a cheaper 2L from an earlier FairPrice or Giant drop.

Cold Storageâ??s separate Fresh and Grocery Selections banners for the week ending 16 September are a different board. Do not mix those till-dates with Top Selections.

The Top Selections board closes **23 September 2026**. Check the live price on coldstorage.com.sg/category/topselections before you cross town for one SKU.
