

Connections Lounge DBS Deal: 20% Off Total Bill

Description

The Connections Lounge DBS deal gives DBS/POSB cardmembers 20% off the total bill for dine-in at Copthorne King's Hotel Singapore.

This is a straightforward hotel-lounge offer, but diners should still confirm exclusions before ordering.

Read this as a meal-period offer, not a blanket restaurant discount. Confirm the valid dining session, reservation rule, payment card and blackout dates before arranging the booking.

For group meals, check whether the terms limit table size, bill splitting, alcoholic drinks, service charge or taxes. Those details decide whether the saving applies cleanly at checkout.

If the restaurant changes its menu, the promotion can still remain valid while the exact dishes differ. Use the official restaurant or bank page for the latest meal-period details.

For dining deals, the safest use is a direct reservation where the restaurant acknowledges the promotion before the visit. That keeps the article focused on the actual redemption path rather than a broad dining recommendation.
