Editorial Tips And Event Information

When sharing a news tip, opening or event, include the organiser's name, official source link, dates, location, prices, eligibility, image usage rights and a contact person. Sending information does not guarantee coverage.

Corrections

For a possible error, use the subject line **Correction request** and include the article URL, the statement you believe is wrong, the correct information and a reliable supporting source. See our [Corrections Policy](#).

Advertising And Partnerships

For advertising, sponsored content or partnerships, identify the paying organisation, campaign objective and requested disclosure. Commercial arrangements do not buy favourable editorial conclusions. Read our [Commercial and AI Disclosure](#) and [Terms and Conditions](#).

Privacy

Do not email confidential personal, medical, financial or identification information unless the team has confirmed a suitable channel. Personal data is handled according to our [Data Protection Notice](#).
