What the single mattress is built as

COURTS rates the single at firmness 5 and 25 cm thick, with dimensions 91 cm by 190 cm by 25 cm. The cover is Tencel knitted fabric with Sanitized antimicrobial protection. Inside sits an individual barrel pocketed spring system with latex foam and high-density foam on a tight top, plus foam encasement edge support.

The listing bundles one pillow and one mattress protector, and quotes a 15-year limited warranty on manufacturing defects with a limited guarantee on the spring. Delivery is typically three to five working days, excluding Sundays and public holidays, with the page noting indent timing can push that out.

Queen size and a humidity appliance on the same site

The queen version (SKU IP187572) measures 152 cm by 190 cm by 25 cm and includes two pillows plus one mattress protector. COURTS flags a separate 12 per cent off bedding line and a 9.09 sale of S\$9 off every S\$90 spent on the same page, on top of the marked price.

For a smaller home buy, the Novita ND2+ Dove White 2-in-1 air purifier and dehumidifier is S\$379 against an RRP of S\$569 (33 per cent off) as an online exclusive. The page lists a 13-litre daily extraction rate, H13 HEPA plus carbon filtration, UV-C sterilisation, and coverage figures of up to 38 m² for dehumidifying and 23 m² for purifying, with a five-year warranty note.
