

COURTS Megastore cuts up to 20 per cent off cooling appliances from 7 to 13 September

### Description

COURTS Megastore's 20th Anniversary Week 2 specials cut up to 20 per cent off selected air-conditioners, air coolers and fans, air purifiers and humidifiers, and dehumidifiers from 7 to 13 September 2026.

The Week 2 board applies only at COURTS Megastore at 50 Tampines North Drive 2. Selected brands and models qualify, and in-store stock rules apply while stocks last.

## What is on the cooling list

The celebratory specials cover four cooling and air-treatment groups: air-conditioners; air coolers and fans; air purifiers and humidifiers; and dehumidifiers. Discounts sit at up to 20 per cent on selected lines rather than a flat cut across every SKU.

On courts.com.sg, the Cooling and Air Care aisle still lists models such as the SONA Portable Air Conditioner (12k) SACN6283 at S\$609, down from S\$899 (32 per cent off online). That online ticket is separate from the Megastore Week 2 percentage, but it confirms COURTS is actively pricing portable cooling kit in the same category shoppers will find in store.

## Where and when to shop

Week 2 runs strictly from 7 to 13 September 2026 at the Tampines North megastore only. Other COURTS outlets are outside this anniversary window even if they stock similar appliances.

Pictures on promotional material are for illustration. Shoppers should check the tagged floor models and any Climate Voucher eligibility on energy-efficient units before paying, because voucher rules and Week 2 discounts do not always stack the same way.

## How this week sits in the anniversary sale

The wider COURTS Megastore 20th Anniversary Sale runs into late September with other price bands. Week 2 is the cooling-focused slice: seven days, megastore only, and a 20 per cent ceiling on selected air-care lines.
