Mandai Wildlife Reserveâ??s indoor playscape Curiosity Cove is getting into the Halloween spirit with its very first seasonal event. **The Mischief Within**, presented with edutainment brand Ranger Buddies, invites families to step into a playful mystery this October, where familiar places have changed, clues have appeared and Ranger Buddies Al and Min need help to crack the case.

Running from **1 October to 1 November 2026**, the event unfolds across two experiences: Boo-tiful Day by daylight and a spookier after-dark Sundown on selected Friday to Sunday evenings.

Boo-tiful Day: carnival fun for little ones

From 10am to 5.30pm daily, young Ranger Buddies can take on carnival challenges like toppling a mischief-conjured pumpkin wall or blasting a horde of mischievous pumpkins. Creative types can make a neon glow painting or a glowing night lamp to take home, while a candy bag and roving crew make trick-or-treating part of the fun. Boo-tiful Day activities are included with regular Curiosity Cove admission.

Sundown: an after-dark adventure

As Sundown begins on selected evenings from 6.30pm to 9.30pm, the mischief grows stronger. Families take on The Mischief Within Trail, a four-challenge adventure that has groups rallying a hoverball, counting glowing eyes in the dark, piecing a reef creature back together and cracking a final code to seal the mischief away. The night builds to a dazzling bubble performance by CJ Bubbles and closes with a victory parade, complete with Best Dressed awards for one child and one family winner each night.
