

Cyberathlete Community Cup 2026: GAME Fest Weekend Guide At Suntec

Description

default watermark

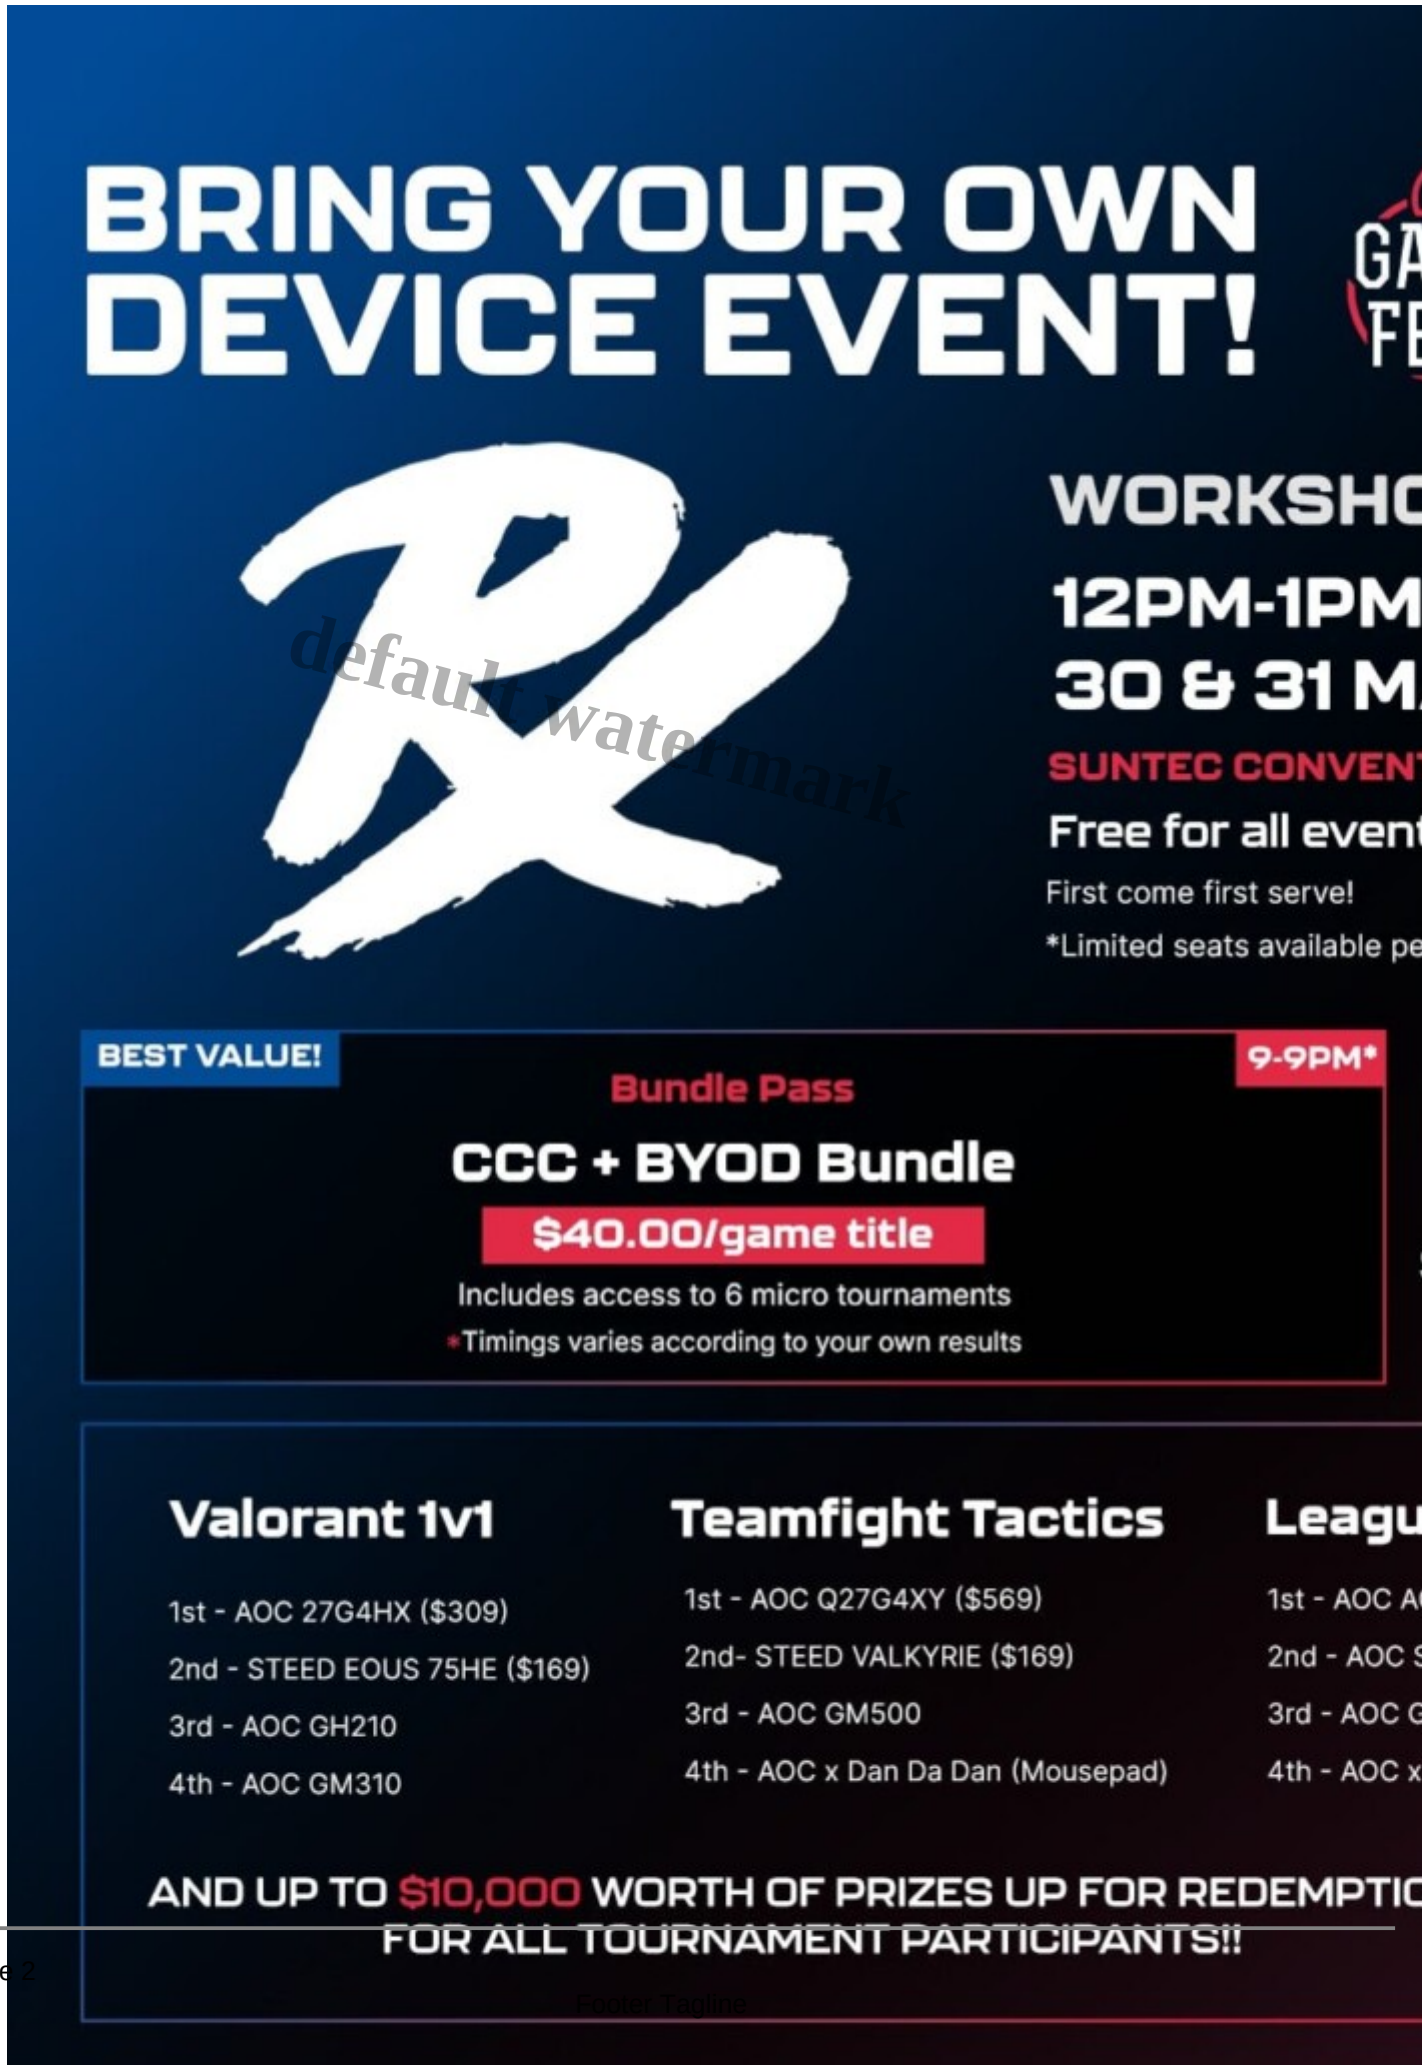

Cyberathlete Community Cup 2026 brings a structured community gaming weekend to Suntec on 30 and 31 May. The event listing says it is Singaporeâ??s first Riot-sanctioned community gaming event across VALORANT, League of Legends and Teamfight Tactics.

It runs from 10am to 9pm daily at Suntec Convention Centre Level 3, with ticket prices starting from S$5.

What The Event Covers

BookMyShowâ??s event page describes a grassroots esports arena with 200-plus gamers daily, the Cyberathlete Community Cup, BYOD gaming, micro cups, sponsor activations, prizes and live community competition.

The core titles are VALORANT, League of Legends and Teamfight Tactics. The listed formats include VALORANT 1v1 Skirmish, TFT competition and League of Legends 2v2 ARAM Mayhem.

Ticket Notes

The CCC + BYOD bundle is listed at S$40 and combines one tournament entry with a full-day BYOD slot. A competition-only pass starts from S$20 for individual titles, while League of Legends 2v2 is listed by team.

Casual players should compare the bundle against a spectator or lower-priced entry. The bundle is better for visitors who want to compete and keep playing through the day.
