D23 Asia: The Ultimate Disney Fan Event will run at Marina Bay Sands from 25 to 27 June 2027, with tickets due on sale in late November 2026.

The three-day expo is the first D23 Asia hosted in Singapore. The Convention Floor and nightly Premiere Stage programmes cover Disney, Pixar, Marvel, Star Wars, Disney+ and Hulu. Ticket prices, priority access and the split between Convention Floor and Premiere Stage passes have not been published.

Nightly Premiere Stage line-up

Each evening carries a named programme on the Premiere Stage. 25 June is the Studio Showcase, with exclusive film and franchise reveals, unseen footage, surprise celebrity appearances and live performances from Disney, Pixar, Marvel, Star Wars and more. 26 June is the Disney+ Showcase, built around upcoming Korean and Japanese series, returning global titles, and first looks with Asian creators and celebrities. 27 June closes with Disney Hits LIVE! at D23 Asia, a concert of Disney and Pixar soundtrack hits with Broadway and Disney performers, a live band, concert lighting and large-scale animation.

Premiere Stage entry comes with the Convention + Premiere Stage Pass and/or the Platinum Pass.

What the Convention Floor carries

The Convention Floor is framed as more than 15 immersive experiences drawn from the same Disney brands, plus panels, interviews, meet-and-greets and shopping that the organiser describes as exclusive to the event. Inside the floor sit the Storytellers Stage for creator panels, Talent Central for character and talent meet-ups, and the Spotlight Stage for live entertainment and fan programming.

Retail is split across the D23 Marketplace, The Walt Disney Company Store with D23 Asia-themed collections and selected employee-store items made available to the Asia Pacific public for the first time, and other Asia Pacific retail offerings. Exact product lines and prices are not up yet.

Tickets and what is still open

Tickets go on sale in late November 2026, with pricing and pass types still to be revealed. No face-value price is published yet.
