Dance Dance Hallyu 2026 is back as a Singapore preliminary for the 2026 K-Pop World Festival. *SCAPE lists the event for 27 June 2026 at *SCAPE Ground Theatre, Level 2.

For dance crews and K-pop fans, the important point is that this is not just a showcase. The official listing frames it as a route for winners to represent Singapore in Changwon, giving the preliminary a competitive reason to watch.

Event Shape

The Ground Theatre setting keeps the event close to Orchardâ??s youth-culture centre. Expect a crowd that understands choreography, formations and cover performance details, not just casual fandom.

Participants should treat the preliminary like a serious stage opportunity. That means costumes, music edits, cueing, member spacing and stage entries need to be tested before the event day.

- Date: 27 June 2026.
- Venue: *SCAPE Ground Theatre, Level 2.
- Context: Singapore preliminary for the 2026 K-Pop World Festival.
- Prize pathway: chance to represent Singapore in Changwon.

Audience Notes

Even if you are not competing, Dance Dance Hallyu is a good way to see the local cover-dance scene beyond TikTok clips. The best performances usually come from crews that balance accuracy with stage presence instead of only copying moves.

Spectators should expect a fan-heavy room, so cheering, filming rules and crowd movement can feel different from a seated theatre event. If you are supporting a crew, arrive early enough to settle bags

and choose a viewing spot without blocking dancers, organisers or other supporters.

See the official *SCAPE Dance Dance Hallyu page for participation and event details. More entertainment coverage is in our Whatâ??s Happening section.
