Got a DBS or POSB card in your wallet? The DBS 1-for-1 buffet Singapore offers at three hotel restaurants are valid until 30 or 31 December 2026, which means your year-end catch-ups can be half price per head. DBS lists each one on its card privileges pages, and the dates below come straight from those pages as at 28 November 2026.

DBS 1-for-1 buffet Singapore: the three offers at a glance

- Sunâ??s Cafe, Hotel Grand Pacific: 1-for-1 Peranakan buffet and 1-for-1 American breakfast buffet, to 31 December 2026.
- 21 on Rajah, Aloft Singapore Novena: 1-for-1 adult buffet, Sunday to Wednesday only, to 30 December 2026.
- Royale, Mercure Singapore Bugis: 1-for-1 lunch buffet, dinner buffet and afternoon tea set, daily, to 31 December 2026.

DBS does not print buffet prices on these pages, so check the hotelâ??s own rate before you book. The saving is simply one adult buffet free for every one you pay for. Work out the per-head price first, because a pricey weekend dinner can still cost more than a cheaper weekday lunch even after the discount.

Sunâ??s Cafe: Peranakan buffet and breakfast

Sunâ??s Cafe at Hotel Grand Pacific gives you the 1-for-1 on its Peranakan buffet and its American breakfast buffet. The lunch and dinner buffets are covered, and one DBS or POSB card can bring along a maximum of 20 diners per bill.

When you reserve, quote DBS/POSB. You must also pay with a DBS or POSB credit or debit card, so no point splitting the bill across other cards. The offer does not cover the a la carte menu, drinks or takeaway.

21 on Rajah and Royale: the rules that trip people up

21 on Rajah is the one with the tightest window. The 1-for-1 applies to the adult buffet from Sunday to Wednesday, with blackout dates, and you enter the promo code 1FOR1DBS when booking. It is limited to one redemption per cardmember, per visit, per table, and the child buffet is not included.

Royale at Mercure Singapore Bugis (122 Middle Road, Level 3, Singapore 188973) is the most flexible. Lunch, dinner and afternoon tea are all 1-for-1 daily, and you also get 20% off a la carte food and beverage orders. DBS recommends prior reservation, and blackout dates apply, so call the restaurant

before you promise anyone a date.

Before you book

Treat these as lobang that need a little admin. Each hotel handles the redemption itself, so the DBS page only tells you the rules, not whether a table is free on your date. A quick call or booking-form note saves a wasted trip.

- Book early for the weeks around Christmas and New Year. Blackout dates are not listed on the DBS pages, so confirm with the restaurant.
- None of these can be combined with other promotions, vouchers or discount cards.
- Offers may be subject to prevailing government taxes and service charge.
- Hotels and DBS can amend or end the promotions, so screenshot your confirmation.

If you prefer a la carte over a buffet, DBS also lists Prego at Fairmont Singapore (80 Bras Basah Road) with 20% off the food bill until 30 December 2026. It is not valid on set menus, beverages, public holidays or their eves, and reservations made through third-party platforms such as Chope do not qualify. Book through Fairmont directly on +65 6431 6156.
