DBS SRS promo to 30 Nov: up to S$50 to open, up to S$50 to invest

Description

DBS is running a limited Supplementary Retirement Scheme promotion until 30 November 2026, with cash gifts of up to S$100 for customers who open or invest through SRS on digibank.

SRS is Singaporeâ??s voluntary retirement savings scheme that gives tax relief on contributions and lets you invest the balance. The bankâ??s promo page splits rewards for new accounts and for investing existing SRS balances.

New SRS accounts

Open a new SRS account and contribute at least S$1 via digibank for a S$5 cash gift, or contribute at least S$10,000 for S$50. Only the highest applicable gift is paid; gifts are not stacked. Each gift tier is capped at the first 2,000 qualified customers.

Existing SRS holders who invest

Invest SRS into eligible unit trusts and/or single-premium insurance plans for a further cash gift: S$10 for S$1,000â??S$4,999 invested, S$30 for S$5,000â??S$9,999, or S$50 for S$10,000 or more. That track is capped at the first 1,000 qualified customers.

Open or top up via digibank, then use digiWealth for SRS-eligible products. Full terms sit on dbs.com.sg under the SRS promotion page.
