Mastercard Mount Faber Leisure promotion: the discounts

The biggest saving is on the Cable Car combo, with smaller cuts across the rest of the line-up. Here is what the official page lists.

- 25% off Cable Car SkyPass Premium (round trip) with a Singapore Sling cocktail or mocktail and fries, redeemable at Arbora @ Mount Faber Peak
- 20% off Cable Car SkyPass (round trip)
- 20% off SkyOrb Cabin (round trip)
- 20% off Wings of Time Fireworks Symphony, standard seats only, for the 7.40pm and 8.40pm shows
- 20% off SkyHelix Sentosa
- 20% off the Sentosa Island Bus Tour

The SkyOrb Cabin is the chrome-finished spherical cabin on the Mount Faber Line. You can board at either the Mount Faber Cable Car station or the Sentosa Cable Car station.

SkyHelix Sentosa takes you 79 metres above sea level on what the operator calls Singaporeâ??s highest open-air panoramic ride. Wings of Time is billed as the only daily fireworks show in Singapore, set against the open sea. Both are on the discount list, so a Sentosa evening can be done for less than the walk-up price.

Sentosa bundles with Oceanarium and USS

There are also bundles that pair a Mount Faber attraction with a bigger Sentosa ticket. These are the ones that carry the larger percentages.

- Up to 23% off Wings of Time Fireworks Symphony (standard) plus Singapore Oceanarium
- Up to 20% off SkyHelix Sentosa plus Singapore Oceanarium
- Up to 17% off Wings of Time Fireworks Symphony (standard) plus Universal Studios Singapore
- Up to 17% off SkyHelix Sentosa plus Universal Studios Singapore

Per the page, the bundles are available until 31 December 2026. The single-attraction discounts run to 31 March 2027. Prices are not fixed in the listing, so the final amount shows at checkout.

Validity and T&Cs

The promotion is valid for purchase until 31 March 2027, and payment must be made with a Mastercard. It covers online purchases and the Singapore Cable Car ticketing counters. The terms below come straight from Mount Faber Leisure Group.

- Tickets bought online are valid for 90 days from the date of purchase, unless stated otherwise.
- All tickets in one transaction must be used or redeemed together. No partial usage or redemption.
- Redeemed tickets must be used on the day of redemption.
- Completed and confirmed transactions cannot be cancelled, refunded or amended under any circumstances.
- Mount Faber Leisure Group can change the terms without prior notice.

Things to check before you pay

SkyHelix Sentosa is open to guests taller than 1.05m. Those between 1.05m and 1.20m, or under 12 years old, must be accompanied by an adult. SkyHelix tickets bought online are open-dated, with seats on a first-come, first-served basis.

The Sentosa Island Bus Tour is a 2-hour guided tour at 10am, 12pm, 2pm and 4pm, and schedules can change. Because refunds are not allowed, check the date and show time before you pay for fireworks seats. Wings of Time needs standard seats for the discount, so premium seats are out.

If you are planning a Sentosa day around the festive lights, our guide to RWS Season of Joy 2026 has the fireworks nights, and the BTS The City Arirang event may change how busy December gets. Paying for a Universal Studios day? See the USS season pass offer as well.

Full details are on the Mount Faber Leisure Mastercard page. It is a decent lobang if you were going to ride the cable car anyway, but remember the 90-day window on online tickets.
