• EasyCollect: The ultimate in convenience-on-the-go, EasyCollect enables customers to order and pay ahead on the app, and pick up the items from over 450+ 7-Eleven stores islandwide in just 3 simple steps. Be it quick snacks, ready-to-eat meals or daily essentials, EasyCollect helps customers save time and shop effortlessly as they go about their busy days. Liquor and tobacco sale laws apply.

• SaverStamps: Loyalty just got more rewarding! With SaverStamps, customers can collect stamps with every in-store or Easycollect purchase of selected products in the stamp reward programme via the app, including 7Cafe beverages, sandwiches, ready-to-eat meals and onigiris. Customers can also redeem 5 or 7 SaverStamps for a free product while unlocking exclusive rewards â?? an absolute value-for-money experience.

- ValuePacks: Love a good deal? ValuePacks allows users to bulk-buy vouchers on the app for their favourite items and redeem them anytime, anywhere! Perfect for multi-item purchases, ValuePacks unlocks smart savings by enabling users to pre-pay and purchase their favourite 7-Eleven items in bundles. From must-have snacks and drinks to everyday essentials, including the fan-favourite Betagro Chicken (10 pieces for just \$25) and Hanjuku eggs, ValuePacks offers unbeatable deals on items customers love!
- Kawaii Collection: Looking to build that collection? Get first dibs to an irresistible lineup of 7-Eleven licensed merchandise featuring Pokémon, Sanrio characters favourites, Crayon Shinchan, Peanuts, and more with the Kawaii Collection feature. Expand your collection effortlessly with just a few clicks!

Thatâ??s not all, the app also seamlessly links the yuu Rewards Club, making it easier than ever to rack up points while shopping. Customers who link their yuu ID can earn points and boost savings on their purchases, earning 1 point for every \$1 spent!

â??7-Eleven is synonymous with convenience â?? be it in the bustling business district or Singaporeâ??s heartlands, weâ??re always here and always near. We wanted to elevate convenience for our customers by bringing our stores, products and offerings even closer to them through EasyCollect and help them save money through our SaverStamps and ValuePacks- whether they shop with us in-store or online. We always aim to deliver the convenience and value our customers seek, wherever they go.,â?• said Anushree Khosla, Managing Director of 7-Eleven Singapore.
