

Deerhoof Singapore 2026: Mosaic Music Series Concert At Esplanade

Description

Deerhoof performs in Singapore on 8 June 2026 under Esplanade's Mosaic Music Series, and it is a neat booking for listeners who want something more jagged than standard touring-pop fare.

The official Esplanade page describes the band as experimental and indie-influential, with a catalogue spanning more than 20 albums.

Deerhoof performs at Esplanade on 8 June 2026.

Who Should Book

This is for listeners who enjoy noise, art-punk, off-centre pop and bands that do not settle into one easy lane. If your usual gig diet is polished radio pop, listen first before buying.

For fans, the appeal is that Deerhoof's live shows tend to carry the same restless energy as the records. The Mosaic Music Series setting also makes it feel more focused than a festival slot.

Planning Notes

The performance is on a Monday, so plan dinner and transport around a workday evening. Buy only through official Esplanade or authorised ticketing channels.
