Every Singaporean should watch Dim Sum Dollies because, if youâ??re familiar with Singaporeâ??s history, youâ??ll be laughing non-stop. Itâ??s relatable, hilarious, and trendy. Donâ??t miss it, ah! â??This is for your own good!â?•

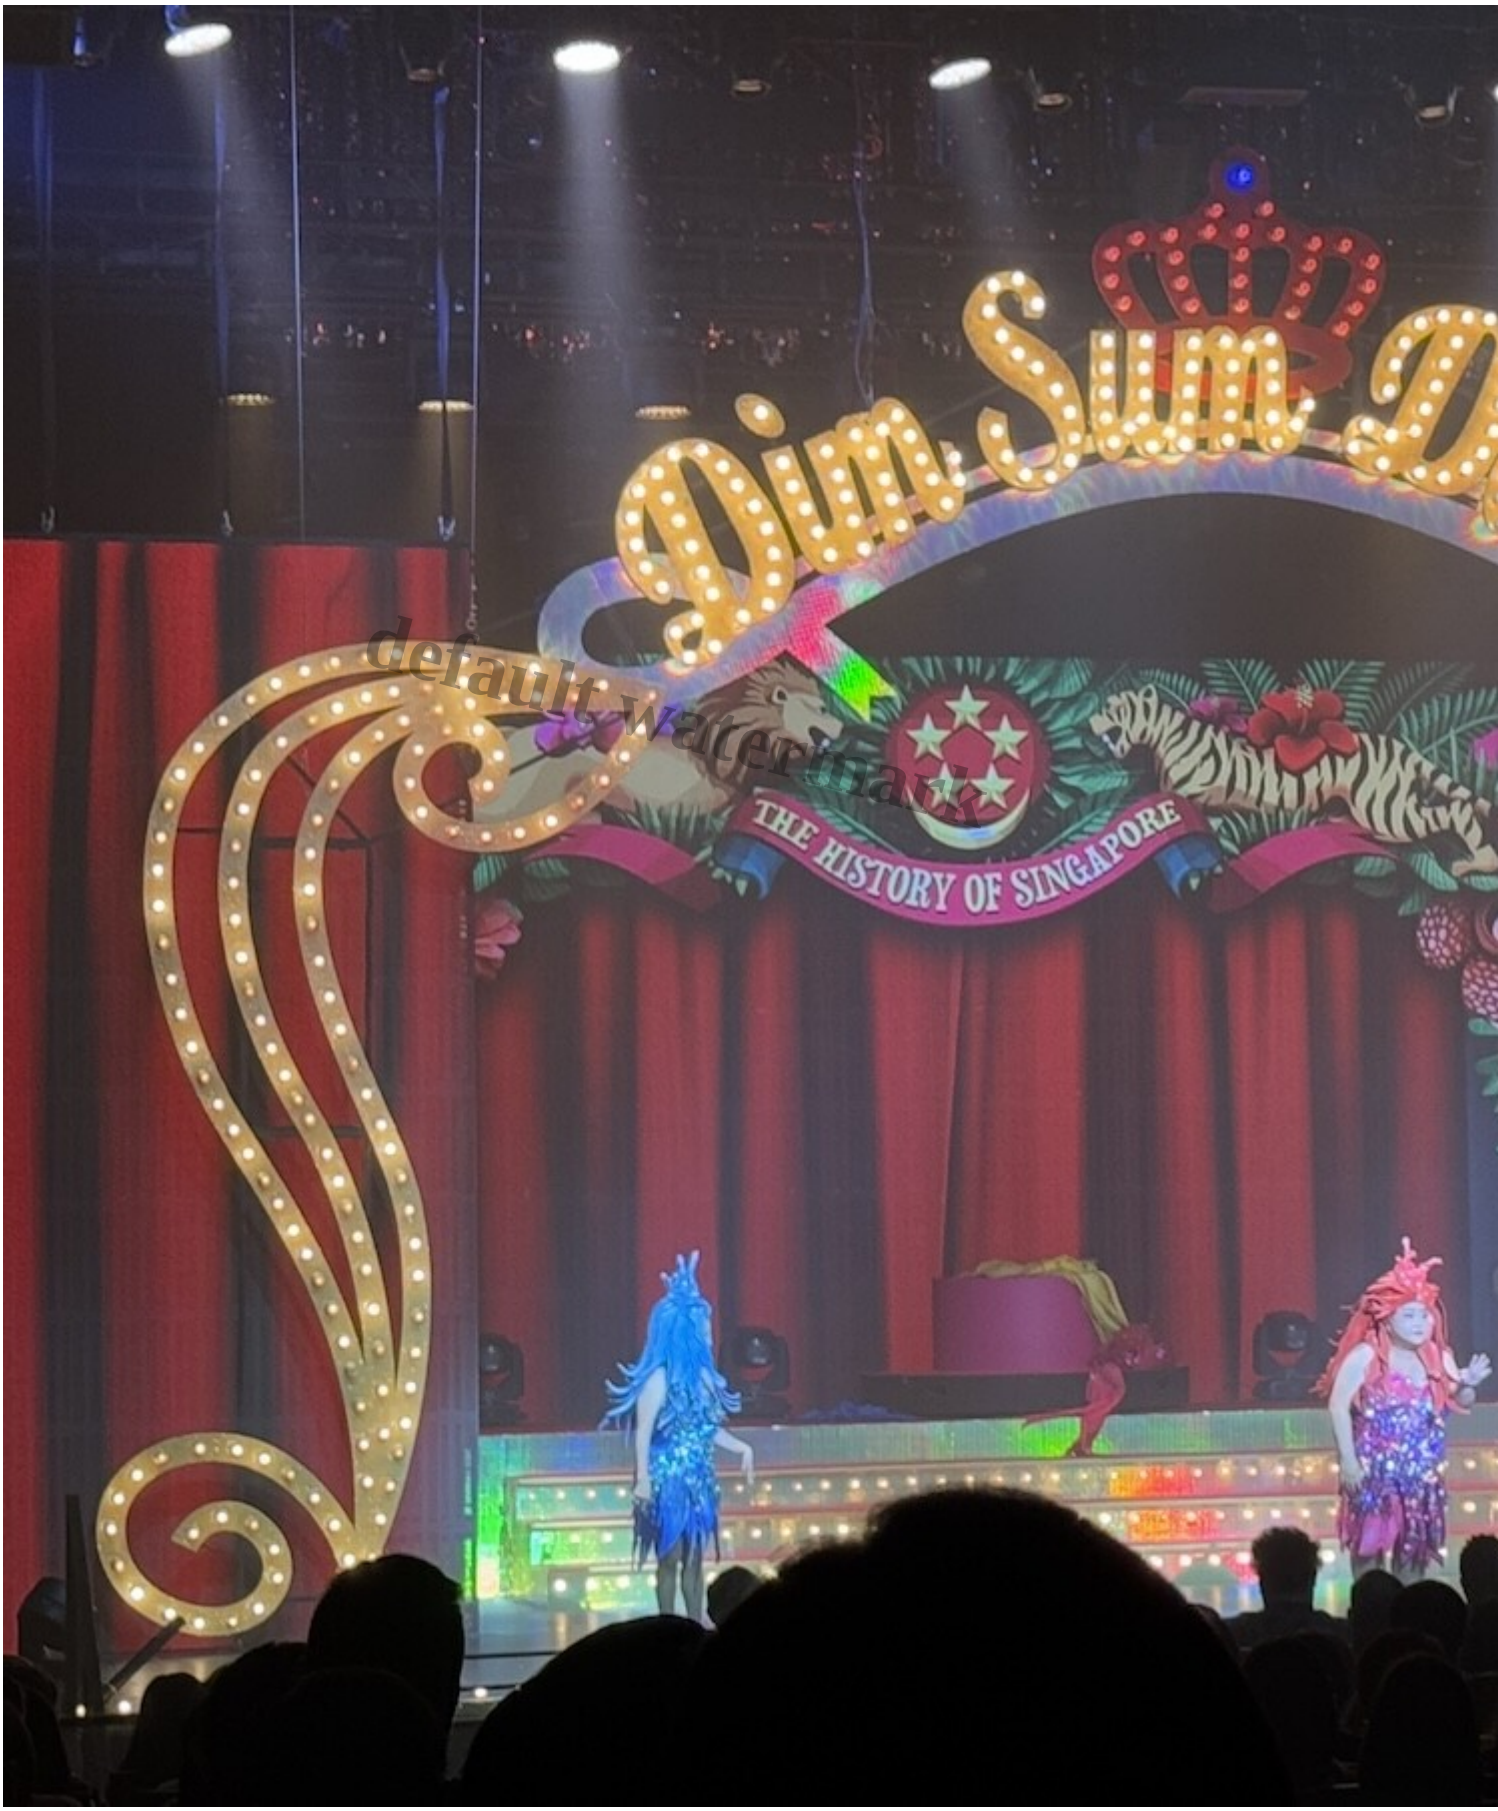

Just a week ago, I was watching I Not Stupid 3 on my Singapore Airlines flight to Bangkok. It brought back memories of my childhood when I watched the original I Not Stupid. To this day, I still remember Selena Tanâ??s iconic phrase, â??This is for your own good!â?•
