

Disney Cruise Line Character Meet-And-Greet At Sentosa: 18 And 19 July Guide

Description

Sentosa's free [Magical Island Adventure character meet-and-greet](#) returns to Palawan Beach on Saturday and Sunday, 18 and 19 July 2026. Sessions are scheduled at 3pm, 4pm, 5.30pm and 6.30pm.

No purchase is required, but entry is not an open walk-through. Every family or group needs a limited pass, distributed from 30 minutes before each session on a first-come, first-served basis.

How The Pass System Works

The queue line opens up to 30 minutes before the session, which is also when passes begin to be distributed. One pass admits one family or group of up to four people. A pass is required even though admission is free.

Arrive as a complete group and decide which adult will hold the pass and phone. Limited capacity means joining the queue does not guarantee entry after the session allocation has been taken.

- Dates: 18 and 19 July 2026.
- Times: 3pm, 4pm, 5.30pm and 6.30pm.
- Capacity: one family or group of up to four per pass.

Photo Rules And What To Leave Outside

Each group receives one photo, taken on the group's own device. Unlock the camera, choose portrait or landscape and clear enough storage before reaching the front so the short interaction is not spent on phone settings.

Food, drinks, strollers and pets are not allowed inside the event space. Families need a plan for the stroller and belongings, as guests remain responsible for personal items.

- One photo per family or group.
- Use your own phone or camera.
- No food, drinks, strollers or pets in the space.

Getting To Palawan Beach

From Beach Station, transfer to the Sentosa Beach Shuttle and alight near the Southernmost Point. Public bus 123 also connects to Beach Station before the shuttle transfer. Beach Station Car Park is the nearest listed car park.

- Admission: free.
- Venue: Palawan Beach.
- Bring sun protection and a rain layer for the outdoor approach.
