Description

default watermark

Elusive, a double bill by T.H.E Dance Company, runs at Esplanade Theatre Studio on 19 and 20 June 2026 as part of cont-act Dance Festival.

T.H.E is a Singapore contemporary dance company founded in 2008 by artistic director Kuik Swee Boon, with a practice anchored in the companyâ??s HollowBody methodology.

Why It Is Worth Noting

For Singapore audiences, this is a chance to see local contemporary dance in a focused black-box setting rather than waiting for a large festival gala. The Theatre Studio format should make movement detail easier to read.

It suits viewers who are comfortable with contemporary work, students of dance and anyone looking for a more serious arts night in June.

Ticket Notes

Early-bird and Esplanade&Me specials are available, alongside a wider The Studios 2026 Season Pass for selected productions. Confirm the final ticket category and discount period before paying.
