

EXO PLANET #6 EXhOrizon Singapore 2026: Indoor Stadium Guide

Description

default watermark

EXO PLANET #6 â?? EXhOrizon in Singapore is listed at Singapore Indoor Stadium for 24 and 26 July 2026. The Kallang event page describes the shows as EXOâ??s first official concert in Singapore after seven years, which explains why the ticketing cycle is likely to be closely watched by EXO-Ls.

Live Nationâ??s Singapore page also sets out fan-club, Live Nation and general onsale steps for the 26 July date, including EXO-L MEMBERSHIP (GL) presale registration and the need for a Ticketmaster SG account. For fans, preparation matters as much as the show date.

What Is Listed

The Kallang page lists the concerts for Friday 24 July and Sunday 26 July 2026 at Singapore Indoor Stadium, with Ticketmaster as the ticketing path. Live Nationâ??s presale page highlights EXO-L MEMBERSHIP (GL) presale access, Live Nation presale and general onsale timing for fans tracking the ticket release.

Because there are two dates, groups should decide which date is the priority before sales open. Friday may suit fans who want a weekend-start concert; Sunday may suit those who need more time to travel in or finish work commitments.

- Dates listed by The Kallang: 24 and 26 July 2026.
- Venue: Singapore Indoor Stadium.
- Ticketing path: Ticketmaster SG.
- Promoter information: Live Nation Singapore.

Ticketing Prep

Create or check your Ticketmaster SG account before the sale window. If using an EXO-L membership presale route, match the membership code format and registration steps on the Live Nation page exactly, because presale access can fail when accounts, codes or registration windows do not line up.

See The Kallangâ??s EXO event listing and Live Nation Singapore for official updates. More K-pop and concert notes are in our Entertainment section.

- Log in before the sale starts.
- Use one clear device and payment method to avoid delays.
- Agree on date, category and maximum spend before queueing.

Location Notes

- Singapore Indoor Stadium
