

Fairmont Singapore Third Night On Us: 3 nights for the price of 2, to 2027

Description

default watermark

Book three nights at Fairmont Singapore and the third night is on the hotel. The Fairmont Singapore Third Night On Us offer is open for bookings and stays through 31 December 2027, so you do not need to rush, but it is worth a look before the year-end holiday rates climb.

The hotel sits at Raffles City, near City Hall MRT, so it works well for a short staycation. The page does not show room rates, so the maths below is about the free night, not a headline price.

What Fairmont Singapore Third Night On Us includes

The offer is three nights for the price of two. The hotelâ??s listing also names a few extras that vary by room type:

- Fairmont Gold Lounge access, a VIP welcome amenity and late check-out for the higher room categories, subject to availability.
- 20% savings on dining at the hotelâ??s restaurants, excluding JAAN by Kirk Westaway and in-room dining.
- Deluxe and Deluxe Marina Bay rooms, and Signature Suite and Signature Salon Suite rooms, as room-only options.
- Fairmont Gold rooms and Signature Gold Suite, with Gold Lounge access, daily breakfast, evening drinks and refreshments.
- Ambassador, Governor, Royal and Presidential Suites, with Gold Lounge access, breakfast, evening drinks, a welcome amenity and late check-out.

Because the deal is â??pay for two, stay threeâ?•, the saving grows with the room. A third night in a Gold room or a suite is worth more than one in a Deluxe room.

The fine print to read before you book

This one is for Accor members. You need to log in, or join ALL Accor for free, to see the offer on the hotel site.

- Full payment by credit card is required at booking.
- Bookings are non-refundable and cannot be modified once confirmed.
- Blackout dates apply, but the page does not list them.
- Check-in is from 3pm and check-out is by noon.
- Guests aged 13 and above are charged an extra S$120++ per night on all rates.
- Gold Lounge evening drinks are for guests aged 12 and above.

Non-refundable and no changes means you should lock in dates only when your leave is approved. If your plans might shift, one of the flexible rates below may suit better.

Other Fairmont Singapore offers running now

Fairmontâ??s offers page lists several more deals, and the timing matters. These are the ones with clear dates:

- Endless Winter Memories: up to 20% off, for bookings from 15 October 2026 to 30 March 2027.
- 7 Day Advance Saver: up to 20% off the best available rate, booked at least 7 days ahead.
- Black Friday: 30% off stays, booking from 25 November to 1 December 2026, for stays from 28 November 2026 to 31 May 2027. It is not open today, so keep it in mind for Wednesday.
- Baby Shark Family Stay with Merli and Pakcik: now through 28 March 2027.

The Black Friday offerâ??s footnote terms were not visible on the page, so check them when it opens. A 30% discount can beat a free third night if you only need two nights.

Which offer should you pick?

If you are staying three nights or more, Third Night On Us is simple. For two nights, the 30% Black Friday rate or the Endless Winter Memories rate will probably work out cheaper, so compare final totals for your own dates.

The free night makes the most sense in school holiday weeks when room rates are higher, since you skip a full nightâ??s cost. For other ways to save on stays, see our guides to the Agoda DBS POSB November Mega Sale and the Expedia DBS Travel Tuesday offer on 24 November. If you prefer an island break, the RWS Season of Joy hotel bundles run to 3 January.

Full details are on the Fairmont Singapore offer page. Rates and availability can change, so check before paying.
