

FairPrice \$6 Return Voucher: Get \$6 Back For Every \$61 Spent This SG61 (Till 16 August 2026)

Description

If your grocery run is already planned this week, time it right and let it pay you back. The **FairPrice \$6 Return Voucher** gives you a \$6 voucher for every \$61 you spend in a single receipt, from 6 to 16 August 2026. It is FairPrice Group's SG61 National Day thank-you to shoppers, and it is one of the easiest lobang to catch before it ends. Bookmark this one, because the earning window closes on 16 August.

Better still, the voucher stacks with the vouchers and discounts you already use. That means CDC Vouchers, CHAS card discounts and Senior Citizen discounts all still apply on top. Read on for the full breakdown before you head to the checkout.

How the FairPrice \$6 Return Voucher works

The mechanic is refreshingly simple, with no card sign-up and no app hoops. Spend \$61 nett in a single receipt and you earn a \$6 Return Voucher. You can earn up to three vouchers in one transaction, so a \$183 shop nets you the full \$18 back.

- **Earn:** \$6 Return Voucher for every \$61 nett spent in a single receipt, capped at three vouchers per transaction.
- **When:** 6 to 16 August 2026.
- **Where:** All FairPrice supermarkets, FairPrice Finest, FairPrice Xtra and Unity pharmacy stores islandwide.
- **Redeem:** Vouchers are valid from the day after issuance and must be used by 31 August 2026.

Stack it with CDC, CHAS and senior discounts

Here is where kiasu shoppers can really win. The FairPrice \$6 Return Voucher can be used together with other subsidies for even deeper savings. It is a rare case where the discounts genuinely combine

rather than cancel each other out.

- **CDC Vouchers** â?? spend them at supermarkets and still earn your Return Vouchers.
- **CHAS card discounts** â?? Blue and Orange cardholders keep their savings.
- **Senior Citizen discounts** â?? including Pioneer Generation and Merdeka Generation.

More SG61 value across FairPrice Xtra

The Return Voucher is the headline, but it sits inside a bigger SG61 campaign running till 31 August 2026. FairPrice Xtra is rolling out National Day deals from just \$61 across groceries, home and health picks. Expect steep markdowns on brands like Sony, Acerpure and Ocean Health supplements while promotions last.

FairPrice Group has also kept a price freeze on more than 500 daily essentials from 1 June to 31 August 2026. That covers housebrand rice, cooking oil, and fresh and frozen meat, so your staples stay steady even as you chase the voucher. Pair the freeze with the Return Voucher and your trolley works harder for you.

The smart way to maximise your run

A little planning turns this into free money on your next shop. Consolidate your buys so each receipt clears the \$61 mark, then spend the voucher before 31 August. Do the maths and the value adds up fast.

- Group your shopping so each receipt hits \$61, \$122 or \$183 to bank one, two or three vouchers.
- Bring your CDC, CHAS or PG/MG cards to layer on extra savings.
- Diarise 31 August 2026 as your redemption deadline so no voucher goes to waste.
