

FairPrice CHAS 6% Discount: MyInfo Link-Up Details

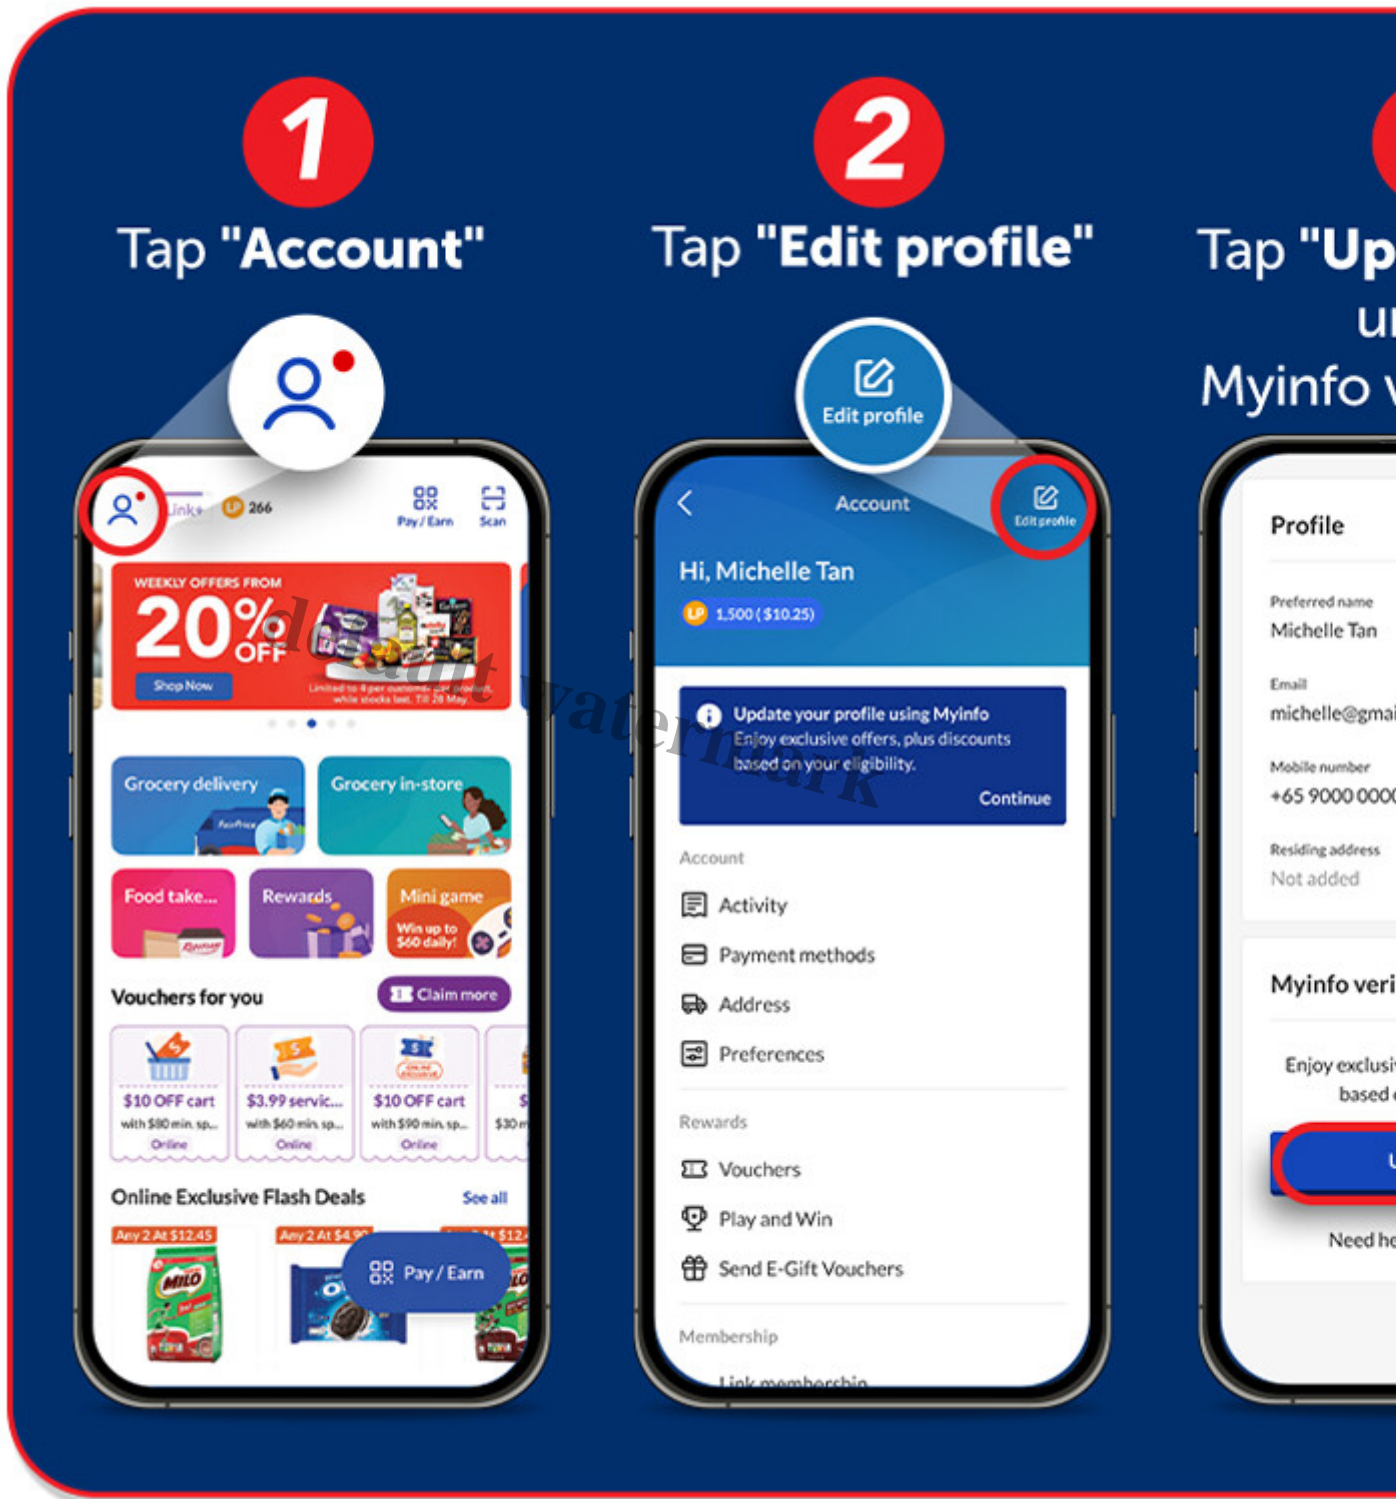

Description

FairPrice says eligible Community Health Assist Scheme (CHAS) Blue and Orange cardholders can get a 6% discount from 9 April to 29 May 2026, inclusive. The discount applies on dedicated shopping days at FairPrice in-store, FairPrice Online and Unity.

Eligibility And App Requirement

CHAS Blue and Orange cardholders need to update their profile using MyInfo on the FairPrice Group app. FairPrice says the auto-applied discount removes the need for physical cards for daily discount schemes at FairPrice and Unity.

FairPrice lists the app versions needed for the MyInfo update: Android version 6.74.1 (625) and after, and iOS version 6.69.0 and after.

FairPrice's source image shows the MyInfo app update flow.

Online Delivery Detail

FairPrice also lists an online-exclusive S\$3.99 service-fee waiver for online delivery orders. To receive auto-applied discounts, FairPrice says shoppers need to earn Linkpoints and/or pay through the

FairPrice Group app.
