

FairPrice CHAS Blue Thursday and Orange Friday 6% off groceries to 1 Jan 2027

Description

FairPrice is giving **CHAS Blue** cardholders **6 per cent off** groceries on **Thursdays** and **CHAS Orange** cardholders the same cut on **Fridays**, from **3 September 2026 to 1 January 2027**, capped at **\$200** spend per customer per day. CHAS Orange cardholders can use it today.

The discount covers FairPrice supermarkets, Unity pharmacies and FairPrice Online on the cardholder's designated day. FairPrice Group doubled the earlier CHAS rate of 3 per cent to 6 per cent for this window.

Discount days and the \$200 cap

Only CHAS Blue and Orange cardholders get the 6 per cent day. Blue is Thursday; Orange is Friday. The discount stops once the day's grocery spend hits \$200. It can be used with store promotions and CDC vouchers.

On FairPrice Online, eligible shoppers also get the **\$3.99** service fee waived on those same days with a minimum spend of **\$100**.

The 6 per cent discount runs until 1 January 2027.
