FairPrice Elias Mallâ??s grand opening morning is **Sunday 20 September 2026**, 10.30am to 12pm, at Block 623 Elias Road, #B1-01. The 24-hour supermarket has been open since 1 September; the festivities and opening mechanics run through the rest of the month.

On the official FairPrice event page, the outlet leads with a 24-foot two-tier seafood ice bed, Catch of the Day promotions, complimentary vacuum packing on request, and chicken bentos at **$5**. A Fruit Series sushi line is listed as exclusive to this store.

What you actually pay for the trolley set

From 1 to 30 September, spend at least **$50** in a single receipt and you can buy the Elias Mall-exclusive cooler and trolley bag for **$10**, while stocks last. One set per transaction. Qualifying spend excludes cigarettes, Toto, gift cards, infant milk powder and pharmacy medicines, among other listed carve-outs.

A separate stamp card runs 1 September to 1 November. Every $30 in one receipt earns one stamp, capped at three stamps per transaction. Three stamps unlock laundry capsules, six a silicone food pouch, nine the trolley and cooler bag. If you already paid $10 for the set under the purchase-with-purchase, the nine-stamp track is mainly for shoppers stacking smaller trips.
