FairPriceâ??s Fresh Picks board mixes fruit, vegetables, mushrooms, pork, seafood and deli ham across several end dates. The figures below are the offer lines on each productâ??s own price box.

Produce and mushrooms to 11 November

These multi-buys run to 11 November. The seafood, pork and vegetable lines further down have their own end dates:

- Fresh Blueberries, 125g: buy two for S$4.95, usually S$3.95 a punnet.
- Hokto Bunashimeiji Mushroom, 125g: any two for S$2.40, usually S$1.70 a pack.
- Hokto White Shimeji, 125g: any two for S$2.40, usually S$1.70 a pack.
- Pasar Enoki Mushroom, 300g: buy two for S$2.30, usually S$1.45 a pack.

A single blueberry punnet stays at S$3.95. The Hokto and enoki deals only pay if you want two packs.

Separate from Price Drop and 11.11 PreSale

Fresh Picks is a different FairPrice tag from the weekly Price Drop Buy Now board and from the 11.11 PreSale. Each line carries its own start and end times on the product price box, so the flyer label alone is not enough.
