[Far East Malls](#) marks shopFarEast's 10th anniversary through October. Members need the shopFarEast app, and must be 16 or older.

How 10X SFE\$ works

Upload a single receipt of at least S\$100, excluding supermarkets and education centres, with a timestamp from 15 October 0000 hrs to 18 October 2359 hrs. Qualifying spends earn 10X SFE\$ on approval, which can take up to two working days.

Bonus points are capped at 2,000 SFE\$ per member per day across all participating Far East Malls. You can submit more than one S\$100 receipt in a day, but the daily bonus cap still applies. Receipts cannot be combined to hit the S\$100 floor. The promotion is limited to the first 4,000 redemptions.

Usual earning remains 1 SFE\$ per S\$1 spent, or 1 SFE\$ per S\$3 at supermarkets and education and enrichment, when receipts are uploaded on the app.

The 1 million SFE\$ draws

A separate weekly draw needs a single receipt of at least S\$50 from 1 to 25 October. Every S\$50 earns one chance, capped at five chances per receipt. Draws fall on 9, 16, 23 and 30 October.

The 16 October draw covers approved receipts dated through 15 October 2359 hrs, with prizes of 150,000 SFE\$ for one winner and 30,000 SFE\$ for five winners. Non-winning receipts roll into later draws. Each member can win only once across the whole giveaway.

Upload receipts on the app within 24 hours of purchase. Concierge counters do not accept uploads for these promotions. Spin-the-wheel activities also run at One Holland Village from 16 to 18 October, 12pm to 9pm, with a minimum spend required.
