

Food Republic Jewel Reopens With A Singapore Postcard Redemption

Description

The food court is operating again at #B2-238/239, and its reopening campaign runs daily from 11am to 8pm through 31 July 2026.

The reopening is useful for travellers and east-side diners who want several local food choices in one place. The accompanying keepsake mechanic turns a meal into a small Singapore-themed souvenir.

Where And When

Food Republic is on Basement 2 of Jewel Changi Airport. The published reopening promotion began on 3 July and ends on 31 July 2026, with redemption hours from 11am to 8pm each day.

Jewel is connected to Changi Airport Terminal 1 and can also be reached from Terminals 2 and 3 via link bridges. The food court is in the public area, so no boarding pass is needed.

- Unit: #B2-238/239.
- Campaign dates: 3â??31 July 2026.
- Redemption hours: 11amâ??8pm daily.

The Postcard Redemption

Spend at least S\$18 and present up to two original same-day Food Republic Jewel receipts. The redemption includes one random Mystery Mini Postcard with a stamp, one I Love SG scent tag and one I Love SG voucher.

Postcard designs are issued at random, with no selection or exchange. The physical items are available only while stocks last, so an early meal is more sensible than arriving close to the 8pm redemption cut-off.

- Minimum spend: S\$18.

- Up to two same-day receipts may be combined.
- Original receipts are required.

Who The Reopening Suits

The food-court format works well for groups who cannot agree on one cuisine and for families fitting a meal around an airport pick-up. It is also a convenient stop before visiting the Rain Vortex or Canopy Park.

- Public-area location.
- Suitable for mixed dining preferences.
- Allow time to redeem before leaving Jewel.
