

Three Frasers malls trade Halloween maze tickets, escape room passes and night lights for spend until 8 November

Description

Spending S\$50 to S\$150 at three Frasers Property malls this Halloween earns escape room passes, maze tickets or a collectible night light, with the last redemptions on 8 November. The rewards run under the [Halloween Scaretacular](#) campaign at Causeway Point, Century Square and Tampines 1, and every qualifying spend has to be scanned to a free Frasers Experience (FRx) account.

Tampines 1: maze tickets free from S\$100

Tampines 1 runs a Halloween Gamified Maze set in an abandoned toy factory. Tickets are S\$10 each. Spending S\$100 in a day earns two free tickets, and S\$150 earns four.

The spend can be split across up to three same-day transactions at participating FRx stores, with at least S\$20 in each. Redemption is at the Level 2 Concierge until 9.30pm, and receipts after 9.30pm count towards the next day. There are 1,750 free redemptions in total, one per FRx member a day.

The maze opens on 17 and 18 October, 22 to 25 October and 29 October to 1 November, from 7pm to 11pm, with last entry at 10.30pm.

At S\$10 a ticket, two free tickets on S\$100 are worth 20 per cent of the spend. Four tickets on S\$150 are worth 26.7 per cent.

Night lights for S\$120 at Century Square and Causeway Point

Both malls give a collectible night light for S\$120 spent in up to three same-day transactions of at least S\$20 each. The design changes mid-month: a Pumpkin Wizard to 16 October, then a Ghost Wizard from 17 October.

At Causeway Point the Ghost Wizard runs to 1 November, with redemption at the Level 2 Customer Service Counter. At Century Square it runs to 8 November, with redemption at the Level 3 Concierge. Each FRx member can redeem one a day.

Neither mall puts a price on the night light.

Escape room passes for S\$50

Both malls run a glow-in-the-dark escape room in the Level 1 atrium. Spending S\$50 since 25 September earns a pass; otherwise a pass costs S\$8. Each FRx member can redeem two passes a day.

- Causeway Point: 19 to 25 October, 12pm to 9pm. Pass redemptions close on 25 October, and the first 50 participants each day from 19 to 22 October get a goodie bag.
- Century Square: 26 to 30 October and 1 November, 12pm to 9pm, and 31 October, 6pm to 9pm.

An S\$8 pass on S\$50 of spend is worth 16 per cent.
