

Free Eggs for Everyone: Here's How to Get a Tray in Singapore

Description

Who doesn't love freebies, especially when it comes to essential groceries? FairPrice, one of Singapore's most beloved supermarket chains, is currently running a fantastic promotion that allows you to snag a free tray of **Pasar Fresh Eggs**! Whether you're a seasoned home cook or just starting out, a free tray of ten eggs is a welcome gift. Here's a quick guide on how you can get yours.

Step-by-Step Guide to Redemption

- 1. Download the FairPrice Group App:** Your journey to free eggs starts with your smartphone. If you haven't already, download the **FairPrice Group app** from your app store. This is your digital ticket to the promotion.

2. **Verify Your Account:** Once the app is installed, you'll need to log in and **verify your account**. The simplest way to do this is by using **Singpass**, which makes the process quick and secure.
3. **Claim Your Scratch Card:** After successful verification, a special **digital scratch card** will appear on your screen. Give it a "scratch" with your finger on the screen to reveal your prize: a voucher for one free tray of 10 Pasar Fresh Eggs. This voucher is typically worth around \$2.85, so you're getting a great deal.

4. **Redeem at a FairPrice Outlet:** Now for the fun part! Head to any FairPrice outlet across the island. When you're at the cashier and ready to pay, make sure to access the voucher in the app and apply it to your purchase. The eggs will be completely free, no minimum spending required!

Important Details to Remember

- This promotion is a great way for FairPrice to give back to the community, so it's a one-time offer per person.
- Make sure to check the **voucher's expiry date** within the app. The promotion is valid until the stated date or until all vouchers have been fully redeemed, whichever comes first. So, the sooner you claim, the better!

Enjoy your free eggs and happy cooking!
