

FunFam SportFest 2026: Free June Holiday Family Sport At Singapore EXPO

Description

FunFam SportFest 2026 is a useful June-holiday pick for families who want movement without committing to a paid camp. The free event runs at Singapore EXPO Hall 3 on 30 and 31 May 2026, from 10am to 7pm.

This year's theme is Heroes of Active City. Families move through mission-style sport zones as Active Heroes, with the event framed around restoring Active Energy across the city.

What Families Can Expect

ActiveSG's listing names parent-child sports challenges, coach-led sport try-outs, family fitness games and multi-skill obstacle activities. That makes it more useful for active children who like trying a few things in one day than for families looking for a seated show.

Because the event sits inside Singapore EXPO, it is also easier to manage rain and heat than an outdoor sports carnival. Parents should still plan for queues, water breaks and comfortable shoes.

Key Details

Who Should Go

The best fit is a family with primary-school children who are happy to try short physical stations. It can also work as a low-pressure sport discovery day before signing a child up for a longer programme.

If you are building a full school-holiday plan, compare this with the Mandai ZooSchool and ActiveSG sport options below. FunFam SportFest is the easiest one to sample because there is no listed ticket price.
