The pass costs S\$5 and comes with S\$5 of FYPIRL store credit, so it pays for itself once the credit is spent. A limited-edition tote is included while stocks last. Deals are unlocked by scanning the pass QR code at each booth.

The biggest cuts

The largest published discount is on a Genie Vortex hair dryer at S\$49.90, against S\$229. That is 78 per cent off, more than the fair's own headline figure, and it is limited to one per pass.

The rest are smaller, and several do not publish a usual price at all.

- Tolpa: up to 50 per cent off, with its Sebion ranges and four ranges new to Singapore at 20 per cent off, and a free 400ml Sebion micellar water, worth S\$21.90, on a S\$50 spend.

- Jenny House: up to 60 per cent off hair care, plus a lucky spin for Instagram followers.
- Grafen: up to 45 per cent off hair care, and styling products from S\$8.90 with any purchase.
- Pac:tical: 30 per cent off brandwide.
- SSUNSU: 20 per cent off brandwide, a free full-size cleanser worth S\$36 on any three items, and a free ginseng beauty jelly.
- NestBloom: Golden Heritage at S\$40 instead of S\$60, and Silk Nourish at S\$26 instead of S\$35, which is 33 and 26 per cent off.
- Nuegray: buy two, get one free, or buy three and get two free.
- Kwangdong: buy one, get one free on Vita500 Daily Sticks, Immune Shots and Gummies.
- I Love Sweet Potato: four bags of sweet potato chips for S\$10, down from S\$15.20.
- Tsaio: tea shampoos and body washes at S\$14.90 instead of S\$18, with a free Taiyen toothpaste for every two bottles.

Xandro's Protocol X supplement is S\$99 and its LPC Neuro is S\$89 for pass holders, limited to two a person, with no usual price given. Beauty of Joseon, BIODANCE, Round Lab, VT Cosmetics, TOCOBO, Abib and Purito Seoul are among the FYPIRL store brands also at the fair.

Workshops and the Saturday show

Theo10 runs make-your-own body wash sessions, where buyers pick the fragrance and design the label. Slots are limited and must be booked ahead, the fee is separate, and the S\$5 store credit can go towards it. Florelle, a Singapore brand for sensitive skin, runs a body scrub workshop.

On Saturday 17 October, the Level 2 stage hosts The Breakout Fix, a live shopping talk show on acne and skin barrier repair with free skin tests and Tolpa deals. NestBloom runs a free skin hydration bar on all three days.

All offers are while stocks last. *SCAPE is at 2 Orchard Link, a short walk from Somerset MRT station.
