

Gardens by the Bay Launches LEGO-themed Festive Attractions for Christmas 2025

Description

Get ready for a holiday treat! Gardens by the Bay has teamed up with The LEGO Group to turn the Flower Dome into a magical winter playground. From 23 November 2025 to 4 January 2026 (daily, 9 AM-9 PM), visitors can enjoy a festive mix of colourful LEGO installations, hands-on activities and a holiday-themed train spectacle – though note that Flower Dome admission is ticketed.

**LEGO® FESTIVE ATTRACTIONS
GARDENS BY THE BAY
23 NOV 2025 - 4 JAN**

**FLOWER DOME : 9am-9pm
LEGO RETAIL POP-UP* : 10am-6pm**

**Location : Foyer, Beside Main Ticketing Counter*

What's On

- **LEGO Gingerbread House** From Monday to Thursday, the gingerbread house serves as a whimsical backdrop for family photos. On weekends (Friday to Sunday), guests can actively participate: pick up a LEGO baseplate and add your own creation to the house.
- **Build-to-Give: LEGO Hearts for a Cause** Every weekend throughout the event, visitors (kids and adults) can build a LEGO heart, snap a photo, and drop it into a collection box. A heartwarming way to celebrate the season!
- **Giant LEGO Christmas Tree & More** Look out for a 4.5-metre LEGO Christmas tree and other large-scale LEGO displays, blending holiday charm with LEGO magic.
- **Christmas Train Show Returns** The event brings back the festive train show, featuring nearly 20 model trains running along 145 metres of track. Expect handcrafted scenes inspired by classic American holiday landmarks recreated with botanical artistry.

A Festive Experience for Everyone

Whether you're a LEGO fan, a family looking for weekend fun, or simply in the mood for holiday magic, this collaboration offers something for everyone. The mix of interactive activities, festive displays, and a seasonal atmosphere all set within the lush greenery and floral beauty of Gardens by the Bay makes this year's celebration a unique way to welcome the end-of-year holidays.
