

## Get Into Rugby 2.0: June Holiday Non-Contact Rugby Guide For Kids

### Description

Get Into Rugby 2.0 is the rugby option to consider if a child is curious about the sport but not ready for a contact-heavy competitive environment.

The June holiday programme is organised by Singapore Rugby Union and caters to boys and girls across U9 to U16 age groups, with sessions built around non-contact T1 Rugby.

### Dates, Timing And Venue

- Programme windows: 1 to 3 June or 15 to 17 June 2026.
- Venue: Yio Chu Kang Stadium.
- U9 to U12 timing: 8am to 11am.
- U13 to U16 timing: 2pm to 5pm.
- Programme fee: S\$90, with commitment required for all three days.
- Registration is confirmed only after payment.

### What Children Learn

The programme introduces passing, catching, evasion and game understanding through drills and game scenarios. Day 3 includes festival-style matches so participants can apply what they have learned.

The Learn, Train, Play structure makes this a better fit for beginners than a high-pressure trial. Parents should still check hydration, footwear and whether the timing suits the child's energy level.

### How It Compares

Children who enjoy this can later look at more intense rugby clinics or school-team pathways. Those already playing regularly may prefer the All Blacks clinic, which is a longer full-day programme.

For broader June movement ideas, LBRD has also covered [OCBC Cycle 2026](#) and the [Singapore International Marathon 2026](#).

## Location Notes

- [Yio Chu Kang Stadium](#)

Booking, registration or visitor details are on the [Get Into Rugby 2.0 Singapore](#) page.
