Greenwood Fish Market opens its first shopping mall outlet at VivoCity on 4 November 2026, 23 years after the seafood retailer and restaurant started on Greenwood Avenue in Bukit Timah. The [Greenwood Fish Market VivoCity bistro](#) sits at #01-188, next to TANGS and Tiong Bahru Bakery, and opens daily from 12pm to 10.30pm.

A bistro, not a third restaurant

VivoCity is the brand's third address, after Bukit Timah and the Quayside Isle restaurant on Sentosa, which opened in 2015. It is also the first Greenwood Fish Market bistro. Founder David Lee told AsiaOne that half of the bistro menu carries Greenwood signatures, with the other half made up of new tapas, small plates and oshizushi, the pressed sushi. He also told AsiaOne that the outlet is a test bed for global franchising.

The bistro's own recommendations are oysters, pastas, oshizushi and sharing plates. Alfresco seats are pet friendly, as they are at the two older outlets.
