Hair for Hope 2026 is back on the public calendar, with Ticketmaster listing the main event across 25 and 26 July 2026 in support of Childrenâ??s Cancer Foundation. CCFâ??s site also flags that Hair for Hope 2026 is here.

The campaign remains Singaporeâ??s only head-shaving campaign dedicated to raising awareness and funds for childhood cancer. Ticketmaster says 100 per cent of gross donations from its campaign will go to CCF towards Hair for Hope 2026.

Theme And Purpose

The 2026 theme is This Is Our Shared Journey. Ticketmasterâ??s event page explains that the theme reflects CCFâ??s belief that no child faces cancer alone, and recognises children, families, caregivers, donors, volunteers and the wider community.

Every shaven head is meant to represent an understanding of the ordeals a child with cancer goes through. Shavees become ambassadors who help spread childhood cancer messages to their families, friends and colleagues.

- Main event dates: 25 and 26 July 2026.
- Organiser: Childrenâ??s Cancer Foundation.
- Ticketmaster campaign donation route: giving.sg/donate/campaign/ticketmaster-hfh2026.
- Donation note: 100 per cent of gross donations from Ticketmasterâ??s campaign go to CCF towards Hair for Hope 2026.

How To Take Part

Supporters can donate through the official giving.sg campaign linked by Ticketmaster, or join as a shavee for the main event if they are ready to make the public gesture. Families should discuss the meaning of shaving before signing up children or first-time participants.
