

Halloween trick-or-treat on 31 October 2026: estate walks in Siglap, Tampines and Ubi, plus three mall trails

Description

Halloween falls on a Saturday this year, and four residents' networks have put trick-or-treat walks on OnePA for the night of 31 October 2026 and the evening before, from Siglap to Boon Lay. Three shopping centres are running free trails for children the same day, led by [Downtown East's Great Pumpkin Trail finale](#) in Pasir Ris.

The estate walks are the closest thing to door-to-door trick-or-treating here: residents host the treats, and volunteers set the route. The mall trails run in the daytime or early evening and need no ticket.
