

Health Ambassador Grant

Description

Are you a Health Ambassador? Do you know there's a Health Ambassador (HA) Grant that serves as a seeding fund to encourage [Health Ambassadors](#) to initiate sustainable fitness interest groups in the community?

Grant call is open! You can register your interest at <https://go.gov.sg/hpb-ha-grant> by 28th April 2024.

Eligibility Criteria

Health Ambassadors who have attended the HA Induction programme and acknowledged the criteria prior to the application of the HA Grant. If applicant has not attended induction, please email HPB_HAN@hpb.gov.sg for assistance.

Grant Scheme

The grant is led by a Health Ambassador (HA) who is registered with HPB as a volunteer to be the custodian of the grant and leader to facilitate the group administration and scheduling.

A funding quantum of up to \$4,000 will be awarded for approved applicants. The funding will vary based on the type of interest group submitted, group size and sessions conducted over the calendar year.

Funding details for all approved interest groups as shown in table below:

Type of IG	Min sessions held over calendar year	Min starting group size	Funding Quantum
Running/brisk walking/cycling	24	10	\$1600
Group aerobics/ strength training	24	15	\$2400
Sports (e.g. soccer, badminton)	24	20	\$4000

Applicants do note of the general guidelines to comply:

- Grant awardee must not use the funds to pay him/herself;
- Must not charge or collect a fee from participants;
- Must be transparent in sharing with participants on the funding support provided by HPB;
- Must not seek or receive duplicate funding from other sources, without HPB approval.
