

## Hello Kitty x JISOO Pop-Up At Wisma Atria: Dates And Visit Notes

### Description

The Hello Kitty x JISOO pop-up in Singapore is now listed for 6 to 14 June 2026 at Wisma Atria's Level 1 Atrium. Wisma Atria notes that the official opening was rescheduled, which makes the revised June window the one fans should use.

The event is especially easy to add to an Orchard trip because operating hours are listed as 11am to 10pm. That gives fans room to visit after lunch, before dinner or after work without treating it like a full-day event.

### Key Details

The official listing names Teeni Enterprise as the organiser contact and states that a limited presale started from 28 May. Wisma Atria also lists a mall e-voucher mechanic tied to the event, with a S\$10 e-voucher for shoppers who spend S\$120, although the page states that this has been fully redeemed.

That voucher note matters because fans should not plan the visit around a reward that is no longer available. Treat the pop-up as a merchandise and photo-stop opportunity rather than a voucher chase.

- Dates: 6 to 14 June 2026.
- Hours: 11am to 10pm.
- Venue: Wisma Atria Level 1 Atrium.
- Voucher note: S\$10 e-voucher for S\$120 spend is listed as fully redeemed.

Wisma Atria's official page includes a second Hello Kitty x JISOO pop-up visual.

## Visit Notes

Expect peak crowding on the first weekend and after office hours. If you are aiming for photos, go earlier in the day and keep the route simple because the Level 1 Atrium sits in one of Orchard's busiest pedestrian corridors.
