

Holiday Inn Atrium 1-for-1 Buffet: Halal Nyonya Spread From \$99++

Description

If you have been waiting for a proper hotel buffet lobang, the **Holiday Inn Atrium 1-for-1 buffet** is the one to bookmark right now. Atrium Restaurant has launched a halal-certified Nyonya Fusion spread that runs from 27 July to 9 September 2026 only. Every adult diner enjoys one-for-one, so two of you can feast for the price of one. This is a limited-time National Day season menu, so queues will build fast on weekends.

Think Peranakan comfort food given the buffet treatment, from ayam buah keluak to beef cheek rendang. It is all served at Level 4 of Holiday Inn Singapore Atrium, a short walk from Havelock MRT. Here is everything you need to know before you book.

Holiday Inn Atrium 1-for-1 buffet: what you actually get

The theme is “Nyonya Meets The World”, a fusion of Chinese, Malay and Straits flavours. Expect aromatic sambals, slow-cooked curries, delicate kueh and heritage favourites in one sitting. The kitchen is fully halal-certified, so it is a rare atas buffet that the whole family and Muslim friends can enjoy together. A prayer room sits just a minute’s walk from the restaurant.

Buffet prices (before the 1-for-1)

Prices below are per adult before the one-for-one is applied, so the effective cost per person is roughly half. All prices are subject to service charge and prevailing GST.

- **Weekday lunch (Mon–Fri):** \$99++ adult, \$25++ child (6–12 years)
- **Weekday dinner (Mon–Thu):** \$119++ adult, \$30++ child
- **Weekend lunch (Sat, Sun & PH):** \$109++ adult, \$25++ child
- **Weekend dinner (Fri–Sun & PH):** \$129++ adult, \$30++ child

Split between two adults, weekday lunch works out to around \$50++ each for a full hotel spread. That is shiok value for lobster, satay and heritage Peranakan dishes under one roof.
