What the buffet offers

Weekday lunch is the cheapest slot at about S$60++ per adult, and a table of four adults pays for only two. Weekend dinner is the priciest regular slot, yet the S$148++ rate still halves to S$74++ each. Book early for Fridays and the festive dates, as the offer is subject to availability.

The hotel describes live stations and daily menus that change with the freshest ingredients. Expect a rotating spread rather than a fixed line-up, so do not book for one particular dish.

The whole buffet is halal-certified, which makes it easy for mixed groups of colleagues or family to eat together. A prayer room is nearby. Dress code is smart casual, and the offer is dine-in only.

Card offer and the IHG voucher

Groups with an odd number of adults are not left out. The hotel says one diner gets 50% off when the group pays with a DBS/POSB, Citibank or UOB credit card.

There is also a loyalty bonus. Dine between 23 November 2026 and 1 January 2027 and you receive a 55% off voucher for a buffet visit in 2027. The voucher is valid from 2 January to 30 June 2027, bookings must be made at least 3 days ahead, and blackout dates apply.
