

Hotels End Mooncake Early-Bird Cuts on 30 and 31 August

Description

Goodwood Park Hotel will drop its 25 per cent mooncake early-bird rate after 30 August 2026. The Ritz-Carlton, Millenia Singapore will drop its 25 per cent online privilege a day later, on 31 August.

Both cuts were still listed on the hotels' own pages on Saturday (Aug 29), against box prices published the same day on Goodwood's festive Oddle shop and Summer Pavilion's Oddle shop. This comparison covers four hotel collections that still showed a published percentage discount on 29 August, with a box price and a collection date on the operator's own shop. It is not a taste ranking. [Golden Peony's 35 per cent window at Conrad Singapore Marina Bay](#), already filed on this desk, also ends on 30 August.
