## Premier Elite and Personal Banking rates

For Premier Elite customers the published promotional rates are **1.60% p.a.** for three months and **2.00% p.a.** for six months (9-month 1.30% p.a.; 12-month 1.35% p.a.).

Personal Banking customers see **1.60% p.a.** for three months and **1.80% p.a.** for six months on the same fresh-funds promotion (9-month 0.90% p.a.; 12-month 0.95% p.a.). Premier customers with wealth holdings or Premier FX Engaged status also show 1.80% p.a. on the six-month tenor on the bankâ??s table.

# Fresh funds, minimum and channel

The promotion covers 3-, 6-, 9- and 12-month SGD Time Deposits with a minimum of **SGD30,000** in fresh funds. HSBC asks customers to place through the **HSBC Singapore App** for the promotional rates. Placements outside the app go through branches or a relationship manager at the rates then offered.

A standard Time Deposit Account still needs an existing HSBC deposit account and a board-rate minimum of SGD5,000; the S$30,000 fresh-funds floor is the promotional hurdle. Singapore dollar deposits of non-bank depositors are insured by the Singapore Deposit Insurance Corporation for up to S$100,000 in aggregate per depositor per Scheme member.
