IKEA Jurong is offering free one-on-one home design consultations on Saturday and Sunday, 12 and 13 September 2026, from 1pm to 8pm on Level 2, as part of its Make Space campaign and Storage Heroes showcase.

Home furnishing specialists will talk through space planning and storage ideas for new or existing flats, with no design fee for the consultation itself.

What the consultations cover

The sessions sit under Make Space for Your New Home. Shoppers can bring floor plans and talk through kitchens, bedrooms, living and dining layouts with an IKEA design specialist.

Specialists plan around published IKEA solutions, and a site measurement may be advised later if a fuller proposal is needed. The 12 and 13 September window is the Jurong Level 2 showcase slot for September.

Storage Heroes on the floor

Septemberâ??s Storage Heroes push puts long-running lines such as BILLY bookcases, PAX wardrobes and KALLAX shelving back at the centre of the shop floor as systems many households already use for books, clothes and everyday clutter.

The Jurong consultations are separate from the Pillow Fort parent-child activity later in the month and from the HEJ-FIT and Endurance Challenges at Tampines on 19 and 20 September.
