KONSTRUNDA

IKEA frames KONSTRUNDA as a limited run of artworks and sculptures by global designers, meant to keep art accessible in everyday rooms rather than gallery walls alone.

On the Singapore catalogue, checked the same day, a black 28 cm vase is S\$34.90, a silver-effect decoration is S\$44.90, a blue stool is S\$55, a 40 cm pine stool is S\$115, an 80 x 160 cm white and black rug is S\$99.90, a black mirror is S\$119, and a larger multicolour rug is S\$299.

Several pieces are marked New and listed for delivery. Stock is a limited collection, so the brand's own page is the live check for what is still available at Alexandra, Tampines, Jurong or online.

HÄSTAGILLE

HÄSTAGILLE is the seasonal hosting and décor line: pumpkins, lanterns, scented candles, napkins, trays and small animal or mushroom decorations for a denser autumn table setting.

Published Singapore prices include patterned paper napkins at S\$2.90, a multicolour tray at S\$3.90, a moose decoration at S\$7.90, a clear glass dome at S\$9.90, a paper pumpkin set of two at S\$9.90, a two-wick Spiced Pumpkin candle at S\$10.90, a mushroom decoration set of three at S\$14.90, and a copper-colour lantern for a pillar candle at S\$24.90.

IKEA's Hästagille editorial page for Singapore also points shoppers to related SMYCKA and FEJKA artificial foliage for the same colour story. Some Hästagille lines carry a Limited collection tag.

WHERE TO BUY

The collections are sold on [ikea.com/sq](https://www.ikea.com/sq), with Click and Collect and home delivery options shown on individual product pages. For flat sizes that cannot take a 155 x 220 cm rug, the smaller KONSTRUNDA 80 x 160 cm rug and the freestanding stools and vases are the lower-footprint options on the same list.

Prices and stock were re-checked on the IKEA Singapore product pages on 2 September 2026.
