

IKEA Singapore New Arrivals: What Actually Works In A Small BTO Flat

Description

The **IKEA Singapore new arrivals** list has crossed 1,900 products, which is a lot of scrolling for anyone with a 90sqm flat and one spare wall. Most of it is mugs, cushion covers and door mats. Buried underneath is a genuinely useful batch of small-space storage, and that is what this list is about. Everything below was checked on ikea.com/sg on 24 August 2026, and prices can change.

Furnishing a BTO is mostly a storage problem wearing a decor costume. So the rule here is simple. Each item either mounts on a wall, hides something, or does two jobs at once. Nothing needs a walk-in wardrobe you do not have.

IKEA Singapore New Arrivals Under \$20 That Earn Their Keep

This is where the value sits. None of these need assembly beyond snapping a lid on, and all of them fit in a Grab boot.

- UPPSNOFSAD storage box, 35x25x14cm and 9 litres, \$2.90. The lid is a separate \$1, which nobody tells you at the shelf.
- RÅ NEN basket, \$4.90. Built for the shower, with drainage holes, but it lives happily under a kitchen sink.
- STACKSTOD desk organiser in red, 32x18x16cm, \$5.90.
- CAFEBITRÄ?DE cushion cover, 50x50cm, \$5.90.
- RISATORP basket in bright red, 25x26x18cm, \$9.90.
- KJUGE pouffe with storage, 38cm across and 33cm tall, \$12.90. Footrest, guest chair and blanket box in one.
- HEMMAFIXARE storage case, 34x51x28cm, \$16.90. Sized for seasonal bedding and luggage overflow.

KJUGE is the standout at \$12.90. It sits inside a KALLAX cube, and reviewers on IKEA's own product page report using it for toy storage and hi-fi gear. For comparison, the FÄRLUNDA pouffe with storage is \$59.90 for a similar job.

Go Up The Wall, Not Across The Floor

Floor space in a four-room flat is finished the moment the sofa arrives. Vertical storage is the only surface you have left. Two of these need no drilling at all, which matters if you are renting a room.

- SKÅ DIS pegboard, double-sided, 76x56cm, for a study nook, kitchen wall or bathroom
- GREJIG wall pocket and shoe rack in blue, made for narrow HDB entryways
- IVAR cabinet mounted above a sideboard, so the wall does the work instead of the floor
- NYSJÄN mirror with shelf, 50x60cm, at \$14.90 for IKEA Family members until 25 August 2026, usually \$19.90
- TISKEN suction cup basket, \$12.90, and the matching toothbrush holder at \$4.90, both no-drill

The Free BTO Design Service Most Owners Skip

This one is a proper lobang and it is sitting in plain sight on IKEA's services page. The Home design service is now available at all three Singapore stores, and there is no professional or design fee for the consultation itself.

- IKEA quotes furnishing a whole 2-room flat from \$8,000, and a 4-room flat from \$15,000
- You get a mood board, floor plans, a product list with article numbers and lighting suggestions
- Optional professional site measurement costs \$40 for the kitchen and one bathroom
- Each additional space adds \$40, so a 2-room flexi flat with kitchen, bathroom, living room and bedroom comes to \$120
- The process runs across three appointments, plus a site measurement visit

Two limits worth knowing before you book. IKEA does not do renovation works, so no hacking, tiling or contractor jobs. They will coordinate installation with a contractor you appoint yourself, and terms and conditions apply.

Three Things To Think Twice About

Not everything new deserves your money, and a small flat punishes bad buys harder than a landed home does.

- FEJKA artificial potted plants start at \$32.90 for a 17cm pot, which is real-plant money for something that never grows

- Deep sideboards look great in the showroom and then eat 40cm off a walkway you actually use daily
- Limited collection items like KJUGE and STACKSTOD are exactly that, so do not plan a matching set you will want to extend next year

Store Hours, Parking And What Ends On 25 August 2026

Parking rules differ at each store, and this trips people up more than the prices do.

- IKEA Tampines, 60 Tampines North Drive 2, Singapore 528764. Monday to Friday 11am to 10pm, Saturday and Sunday 10am to 10pm. Free parking with no maximum stay, plus a free shuttle from Tampines MRT and Serangoon MRT. This is the only store with a halal restaurant.
- IKEA Alexandra, 317 Alexandra Road, Singapore 159965. Same opening hours as Tampines. Since 25 May 2026, scan your same-day receipt at the gantry for three hours free, otherwise parking runs at \$0.06 per minute.
- IKEA Jurong, 50 Jurong Gateway Road, inside JEM and connected to Jurong East MRT. Open daily 10am to 10pm, enter from Level 2, cashless payment only.

The August IKEA Family offers run until 25 August 2026 or while stocks last. Membership is free, and the discounts are only applied at checkout if you scan.

- TROTTEEN drawer unit, 34x56cm white, \$39.90 instead of \$59.90
- LÅNGDANS roller blind, 100x195cm grey, \$29.90 instead of \$39.90
- FÄRLUNDA pouffe with storage in Vissle beige, \$59.90 instead of \$89.90
- KAKTUSFIKON rattan plant pot, 24cm, \$25.90 instead of \$39.90
- VARDAGEN jar with lid, 1.8 litres, \$4.90 instead of \$7.90

Bring a tape measure and the dimensions of the wall you are actually buying for. Delivery starts from \$10, and the return window is 365 days, so a box that turns out to be 3cm too wide is not a disaster. Just keep the receipt somewhere you will find it.
